Letter No M6-2645/41-42 dated 4th June 1941

States that the Doddaballapur Town Municipal Council did not take action under Section 69 of the Town Municipalities Act for giving effect to the revision of the assessed taxes proposed by the Assessing Officer during 39-40 and request in the circumstances, sanction to the resolution of the Municipal Council to delegate the powers of disposal of objections received from the rate payers, to the Amildar President.

Under Section 69 (2) of the Town Municipalities Act, the proposal made is permissible. An officer of Govt may be appointed as the revising authority with the approval of

✓ It may be pointed out that the revision of the assessed taxes proposed by the Assessing Officer has not been given effect to for the last two years by the Municipal Council. This has resulted in loss of revenue to the Municipality.

been given to the revised rates at least from 1940-41. But this has not been done on the grounds that there were a large number of objn petitions preferred against the assessment and they could not be disposed of. There has been a delay of over two years (1940-41 & 41-42) with the result that there has been loss to the ML Bd.

We may now propose to appoint the Amildar, Doddaballapur Taluk as the Revising authority under sec 69 (2) of the Mysore Town ML Act so that the objns might be considered & the revised rates brought into effect from 1942-43. The records show that there are about 800 objn petitions. The Amildar may in the midst of his multifarious duties take not less than six months to dispose them of, with the result that the revision may not come into effect even during 1943-44. The ML Cl is in arrears of water supply maintenance charges to the extent of Rs 11,000. If the revised rates had been adopted the financial condition would have ~~been~~ improved considerably. The reasons for the neglecting an important duty on the part of the officers concerned require to be investigated & this appears to be a case fit for fixing responsibility on the officers concerned for the loss to the ML

30 In this connection it may be stated that Mr H. S. Narayana Rao is doing the assessing work in the Chitaldrug Town Mly and it is said that it would be over in 1½ months. He may take up the work of the revision of assessment in Harihar Town Mly in November 1942 & finish it in three months. Anyhow the revised assessment can come into operation only from 1943-44 in that Mly even though it may be finished before Dec 1942.

38) In the meanwhile, the letter dated 21-9-42 recd from the D.C. Bangalore Dist explaining the causes leading to the delay in giving effect to the revision of assessment in the Doddaballapur Municipality is for perusal. It will be seen therefrom that the M.C. were not anxious to bring the revised rates into force and did not help the Ex-officio President to bring the matter to disposal. The D.C. considers that, as the issue of notices was completed by 15-5-1940, there was justification for adopting the old rates for 1939-40 & the rates should have been brought into effect from 1940-41. The Amildar-President concerned are also blameworthy in not having brought the facts of the case to the notice of the Deputy Commr. then & there.

Subject Revision of taxes at Dodbellapur Town Municipality - with effect from 1942 43 - requests sanction to the

- -

I have the honour to state that the assessed taxes at Dodbellapur Town Municipality were revised during the year 1939-40 by the Assessing Officer appointed by Government Further necessary action ought to have been taken under Sec 69 of Town Municipalities Act of 1933 for giving effect to revision

2 The Amildar President of the Municipality reported that the total assessment which stood at Rs 4 600/- was raised to Rs 9 071-14-0 after revision It is stated that a large number of objection petitions nearly 1000 were received from the rate payers praying for reduction of the assessment The Municipal Council did not dispose of all these objections and requested sanction to adopt the existing rates temporarily for some time It was pointed out that such a procedure was not authorised by rules and if the council could not dispose of the objections early they might be asked to delegate the powers to the President under Sec 69 (2) of the Town Municipalities Act of 1933 after obtaining the sanction of Government (Vide this office memo No C2 F 1401/40-41 dated 10-4-1941 flagged A in the file)

3 The Municipal Council did not do either in the beginning but they have resolved at their meeting held on 3 3-1942 that the President may dispose of the objections with the help of the Municipal Councillors Due to the non-disposal of the objections the revised rates have not been adopted so far and consequently the demand has been taken at the pre-revision rates

4 I request that in these circumstances sanction of Government may be kindly obtained to the resolution of the Municipal Council for

delegating the powers of disposal of objections to the Amilder President and for giving effect to the revised rates from the year 1942 43 The Amilder President will be instructed to dispose of the objections very early

5 The connected records accompany for favour of reference and return

With reference to your letter No M-6-2645/41-42 dated 4th June 1942 on the above subject I am directed to point out that there are 800 objection petitions and the Amildar may not find the time required to dispose them of early

2) In this connection I am to observe that there has been a delay of over two years in taking action in the matter, thus occasioning ~~with the result~~ loss to the municipality. If the revised rates had been promptly adopted, the financial condition of the municipality would have improved considerably and the arrears of water supply maintenance charges

and of contributions due by the Municipal Council which also have been paid off. The reasons for this delay and neglect on the part of the officers concerned to take action in time require to be investigated.

Subject - Revision of Assessment at Dodballapur Town Municipality

Sir,

With reference to your letter No L811 Ml 138-42-2, dated 22-7-42, and in continuation of this office letter of even number dated 11-8-42 on the above subject, I have the honour to state as follows -

2 One Mr B Alasingra Char was appointed as Assessing Officer for the revision of assessment at Dodballapur Town Municipality in G O No L 10292-6 LL 47-38 36, dated 22-6-1939 He took up the work on 3-9 1939 and completed the same by 6-1-1940 Notices were issued to the Public under Sec 68 of the Town Municipalities Act of 1933 calling for objections with a period of 30 days

3 The Report of the Assessing Officer was placed before the Municipal Council on 29-4-1940 and they resolved that fresh notices under Section 69(2) of the Act have to be issued It is reported that by 15-5-1940, these notices were also issued and served on all the parties The Municipal Council then resolved in their meeting held on 9-6-1940 that the revised rates should not be given effect to until all objections were disposed of Copy of the resolution is enclosed for favour of reference Hence revised rates were not given effect to during 39-40

4 A Committee consisting of the marginally noted Municipal Councillors was formed to dispose of the objections under Sec 69(2) of the Act in the Council meeting held on 25-8-1940, after a series of adjournments It is reported that no progress was shown

was shown by the committee as it met only once on 1-9-40 and adjourned to 18-9-1940 The Municipal Council then resolved at their Meeting held on 23-10-1940 that the ex-Officio President be requested to bring the work to completion As the Committee failed to complete the work viz , disposal of objections, it was ordered in this office Memo No C2-PR 401/40-41, dated 10-4-1941 that the council may be asked to delegate their powers to the Amildar President with the approval of Government for speedy disposal of the objections, The new Municipal Council was constituted by this time They resolved that another committee consisting of the marginally noted members be formed to co-operate with the President for the speedy completion of the work Then the President Mr M Vazeer Ahmed is reported to have taken up the work of disposal of objections pertaining to a portion of the first ward But as the Council did not delegate the entire powers to Amildar President and as the ex-officio President could not also find sufficient time to attend to all the objections there was again delay in their disposal Hence the revised rates were not given effect to in the year 1940-41 and 1941-42

5 The entire subject was discussed in the meeting held on 8-3-1942 wherein the present Amildar President (Mr Ameer) explained to the council their responsibility in having delayed the adoption of revised rates Then the council resolved to delegate the entire powers of disposal of objections to the Amildar President under Sec 69(2) of the Act on which a recommendation was made to Government in this office letter of even number dated 5-6-1942

6 The marginally noted Officers were the Amildar Presidents

M Vazeer Ahmed BSc 17-9-40 to 16 2-42

Amildar Presidents during the period in question But it is seen that the delay in adopting the revised rates in ~~mainly~~ mainly due to the unbusiness-like manner in which the work was done by the Municipal Council and its committees The councillors had emphatically resolved that the revised rates were illegal and that they should not be given effect to till all the objections were disposed of In the face of this opposition, the ex-officio President seems to have been disabled from proceeding further however, there was provision to report the fact to his office so that action under Sec 194(1) of the Town Municipalities Act of 1933 could have been taken in time to avoid loss to the Municipality Mr Vazeer Ahmed (who is now the District Treasury Officer, Kolar) was the Amildar President at the time and he is responsible for not reporting this

7 As the issue of notices under Sec 69(2) of the Town Municipalities Act was only completed by 15-6-1940, there was justification for adopting the old rates for 1939-40

8 I request that in the circumstances orders of Govt may kindly be obtained to the appointment of a Special Officer for the disposal of objections under Section 69(2) of the Act as requested in this Office letter of even number dated 8/11-8-1942. Connected papers accompany

Sir,

With reference to your letter No L 2978 L1 138-42-4 dated 10th September 1942, enquiring if Mr R S Kumar, Assessing Officer, Davangere has completed his work, I have the honour to state that the work will be completed before the end of this month at Davangere

In this connection I have to state that Government have, in their Order No L 7480-83/L1 61-40-22 dated 18th April 1941, accorded sanction to the appointment of Mr H S Narayana Rao, as Assessing Officer for taking up the work relating to the revision of assessment in Chitaldrug, Harihar, Chellakere, Molakalmuru and Nayakonda Municipalities The revision work in Challakere and Molakalmuru Municipalities has been completed and it takes about a month and a half for the completion of the work in the Chitaldrug Municipality

I therefore request that orders of Government may kindly be obtained for posting Mr R S Kumar to Harihar Municipality for a period of three months from 1st October 1942 for taking up the revision work Necessary provision has been made in the sanctioned budget for 42-43, of Harihar Municipality for meeting the pay and allowance of the Assessing Officer

2554/R

3666/L Zone 22/12

With reference to your letter No L 6281 dated 23-12-42 on the above subject, I have the honour to state that the subject of appointment of a Special Officer of the grade of a Senior Amildar for the disposal of the objections was discussed at the special meeting of the Municipal Council held on 1-1-1943 A copy of the Resolution passed by them is enclosed for favour of reference The Council are afraid that the cost of the special officer and of his establishment would be a heavy drain on the slender resources of the Municipality They have appointed a sub Committee consisting of 8 Municipal Councillors to whom power has been delegated to dispose of the objections under Section 69 (2) of the Town Municipal Act It is reported that the work would be completed by the end of this month and a final report submitted to the Municipal Council in the matter The Amildar President reports that the committee has taken up the work in right earnest and judging from the progress made so far, that the entire work may be completed by the end of this month He also thinks that the Municipality is unable to bear the cost of special establishment in its present financial condition He therefore recommends that the question of appointment of the Special Officer may be considered if the work of this committee is not completed within the stipulated period A further report is promised by the Amildar President by 1-2-43 I shall submit definite proposals soon after the receipt of the same receipt of the same
